# Hernando Storage

- ☑ For security purposes, place the most valuable items at the back of the storage unit

- ☑ Shelving helps to maximize the access of your items

- ☑ Make sure you secure your unit with a superior lock

- ☑ Be sure everything you pack is clean and dry to prevent mold and mildew

- ☑ Always put the heavy items on the bottom and light or awkward items on the top

- ☑ Do not store perishables, such as food

- ☑ Do not store flammable items such as fireworks or gasoline

- ☑ Visit your unit periodically to check the condition of it and your possessions

- ☑ Sweep out the unit at times
